

Setting up Fortran and C configuration

Fortran compiler settings

Fortran compiler :

g77

Standard compiler options :

optimization flag

-O3 -ffast-math

debug flag

-g

output flag

-o

Input libraries

C compiler settings

C compiler

gcc

C compiler options

-O2 -fPIC

C Libraries

output flag

-o

Make program

make

HEN_HOUSE: /home/mainegra/HEN_HOUSE/

EGS_HOME: /home/mainegra/egsnrc_mp/

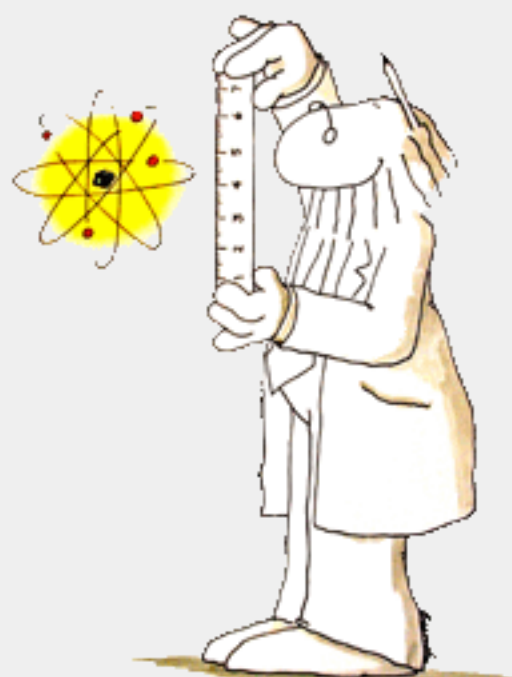

Config file (*.conf)

gnu64.conf

Configuration name

gnu64
